

Contract Holder

Contract # GS-03F-0042U

Communitronics Corporation is pleased to offer U.S. General Services Administration (GSA) benefits to government clients to assist in the purchasing of audio visual services. The Communitronics GSA contract can be found on the GSA Advantage website.

### Contract Services Include:

Audio visual system design  
Project engineering  
Project management  
AV system drawings

AV system installation  
System automation programming  
AV system training  
Follow-up service

### Government Applications:

Large screen displays  
Multi-media control systems  
Command & Control - 24/7  
Digital media signage

Audio systems  
Videoconferencing  
Streaming video surveillance systems  
Video cube display walls

### Company Background:

Communitronics has been providing audio visual solutions for 39 years. We have successfully designed, installed and serviced integrated audio visual systems for Scott AFB, Whiteman AFB, Tinker AFB, Ft. Leonard Wood, SPAWAR, FEDSIM as well as local and state agencies. No project is too big or too small. Communitronics works with the end user to define the AV requirements, provides system drawings, coordinates electrical requirements and room configuration with other contractors, professionally installs the AV equipment, provides end user training, and follow-up service.
